Entrepreneurship, Innovation and Leadership - an empowering and relevant graduate degree for working professionals

» UMBC’s program empowers working professionals to bring an entrepreneurial mindset, innovative practices, and thoughtful leadership to their organizations and businesses with courses designed to teach real-world skills.

» According to the Labor Insights employer-demand tool, the Baltimore-Columbia-Towson metro area has a higher demand than average for jobs requiring entrepreneurship, leadership and innovation skills, with over 12,000 job postings listing one of these skills.

» Shares the tools and concepts to help professionals move towards the realization of an entrepreneurial, intrapreneurial or socialpreneurial opportunity.

When you choose this graduate program, you can count on:

» Applied learning, course deliverables, and a unique two-part capstone that equips students with practical and relevant skills that can be applied immediately on the job.

» Instructors who have deep practical experience and a passion for entrepreneurship

» Flexible evening class schedule that accommodates working professionals.

» All the resources of a robust research university that supports the full continuum of leadership programs, including UMBC Training Centers’ Center for Leadership and Innovation and bwtech@UMBC’s incubator.

Why UMBC?

» These programs are different than others in the region. They focus on the critical role that innovation and leadership play in driving your entrepreneurial vision.

» Focus on hands-on learning with experienced entrepreneurs.

» Relevant programming that can be applied on the job immediately.

» Comprehensive and quality education at a manageable cost.

» Ranked in the top five on U.S. News & World Report’s 2017 closely-watched Most Innovative Schools list and has recognized UMBC as a global leader in higher education.
